"Life in all its fullness"
John 10:10

We **learn** by exploring, questioning and discovering the world around us, fostering a love of learning. We **include** everyone with kindness, respect and understanding, celebrating each person in our community.

We **flourish** by building resilience and embracing challenge with confidence.

We do this **every day** knowing that God walks beside us guiding us to live 'life in all its fullness'.

Our School Vision: Living Life in All Its Fullness

At Cotgrave Church of England Primary School, we are committed to nurturing a learning environment where every child can Learn, Include, Flourish and embrace every day. Our vision, inspired by John 10:10—"Life in all its fullness"—guides everything we do.

Through exploration, kindness, resilience and a strong sense of community, we strive to help each child develop academically, socially, and spiritually. Together, we foster a love for learning, celebrate individuality and support one another in facing challenges with confidence.

We look forward to working in partnership with you, our parents and carers, to ensure that every child experiences LIFE in its fullest potential at our school.

A word about attendance from our governors.

Dear Parents and Guardians,

As we embark on a new year, we are excited to share our updated school vision, which is built on four key pillars: Learn, Include, Flourish, and Every day. These pillars guide us in creating a nurturing and dynamic learning environment for all our students.

****Learn**:** We believe that every day is an opportunity for our children to explore, question, and discover the world around them. Regular attendance is crucial for fostering a love of learning and ensuring that our students do not miss out on valuable classroom experiences and interactions.

****Include**:** Our school community thrives on kindness, respect, and understanding. When children miss school for holidays during term time, it can disrupt not only their own learning but also the learning of their classmates. We aim to include everyone in our daily activities and lessons, ensuring that each child feels valued and supported.

****Flourish**:** Building resilience and embracing challenges with confidence are key to our students' growth. Consistent attendance helps children develop these qualities by providing them with a stable and continuous learning environment. By attending school regularly, students can fully engage with the curriculum and flourish academically and personally.

****Every day**:** We are committed to living our vision every day, knowing that God walks beside us, guiding us to live life to its fullest. We ask for your support in ensuring that your children attend school every day during term time, so they can benefit from the full range of educational opportunities we offer.

We understand that family time is important, and we encourage you to plan holidays during school breaks. By doing so, you help us maintain a consistent and enriching learning experience for all our students.

Thank you for your cooperation and support in helping us achieve our vision for a thriving school community."

Thank you!

As a staff, we would like to thank you for your kind cards and gifts that you gave to us for the Christmas season. They were very much appreciated. Happy New Year to you all!

Integrated Care System
Nottingham & Nottinghamshire

This project is independent of schools, or the educational dept of Nottinghamshire County Council. It is funded by Health and is being run by Nottinghamshire Parent Carer Forum - an independent charity run by and for parent carers.

The poster features a green background with blue and purple circular accents. It includes illustrations of a blue mug with a smiley face, a blue mug with red flowers, and a group of three children sitting on a red rug. Logos for the Parent Carer Forum and Integrated Care System are also present.

School Website and Facebook permissions

You may have noticed that the school website is not as updated as it usually is. This is because we are in the process of switching to a brand new website, which should be up and running within the next couple of weeks. Please bear with us whilst this change is taking place.

Thank you to everyone who brought back permission slips for our Facebook page. If you have not sent back the permission slip and would like to give your consent for your child to be on the Facebook page, please do so as soon as possible. If we don't have a reply by the end of this week, we will assume that you don't give permission for your child to appear on Facebook.
