

# Spring 2 Class 2

## English

The Iron Man by Ted Hughes is the inspiration for our English work. The story is about a little boy and an iron man. The Iron Man starts eating all the metal in the town, and the concerned town members capture him. But when a bigger danger comes around, they might need the help of the Iron Man after all.

We are reading...

Important Dates  
Friday 14<sup>th</sup> March: School swimming returns

Tuesday 18<sup>th</sup> – Wednesday 19<sup>th</sup> March: Parents' Evening

## Maths

Our main focus in maths will be on fractions. We will also be learning to tell the time and solve problems involving time. Finally we will learn to measure and use mass and capacity.

## Reminders

Well done to all children who have achieved **Times Tables certificates** recently! Children can ask to be tested any day of the week when they feel they are ready to get a certificate.

**Times Tables Rockstars** (TTRS) is a brilliant way to help learn the times tables and also to keep the knowledge fresh once the children have learnt them – 5 minutes every day on TTRS can lead to amazing results!

## Topic

Our topics include: maps and land use within Geography; drawing in Art; collaborative learning in Computing; the Easter story, Jesus and Salvation in RE; and living things and their habitats in Science.
