Head lice

Unfortunately, we are currently having a high volume of cases of head lice within school.

Please could we ask that you regularly check your child for head lice and treat them as soon as possible if head lice are found. It is important to keep checking and combing for head lice after the initial treatment to make sure that they don't come back. If lice are seen in your child's hair, a text message will be sent home to make you aware. Children must have their hair tied back if it is long enough to be.

Thank you for your help and cooperation.

- Polo shirts on non-PE days should be white. These can have a logo or not.
- Red school PE tops should be worn on PE days. These can be worn with black shorts (cycling type is fine for PE), leggings or joggers. Please ensure that these are plain and do not have stripes or large logos on them.
- Trainers should **only** be worn on PE days and should be black. If you are unable to find black trainers then please make sure that the trainers are mostly black. Small emblems in a different colour on trainers is acceptable.
