Staff News

Mrs Marriott has decided leave us at the end of the year to follow her passion of teaching Art and DT! We will miss her but wish all the best in her new venture!

Before the holidays, we recruited Mrs Amy Matthews to our team who will take over teaching in Class 3 from September. Mrs Matthews will come into school on our class swap days to meet the children and make sure that they all get off to a great start in the new academic year.

Miss Asher will return from her maternity leave in June and work in Class 3 on a Monday, Tuesday and Wednesday. Miss Normington will continue to support the class on a Thursday and Friday.

PINS Project

As part of our school's commitment to inclusion and working in partnership with families, we have been taking part in the Partnership for the Inclusion of Neurodiversity in Schools (PINS) project.

The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need.

Earlier in the project, we invited all parents and carers to complete a short survey to share their experiences and views. The anonymized feedback helped us understand what was going well and where improvements could be made to help make our school a better place for all children.

We are now repeating the survey to find out whether you feel any changes have been made since then. Your views are really valuable and will help us continue to reflect and improve.

The survey is for all parents and carers and takes less than 10 minutes to complete. If you have more than one child at the school, you are welcome to fill in the survey for each child.

Your responses are completely anonymous and will only be seen by the Nottinghamshire Parent Carer Forum. They will not be shared with anyone else. You can take the survey by clicking the link: <https://forms.office.com/e/45292aX18D>
Thank you for your time and support.
