### Toilet Refurbishments

The refurbishments in school will be fully finished by the end of this week! The new facilities are looking great and the children have been excellent at 'going with the flow' during the past half term. Class 4 will begin to move back into their classroom over the next week or so- look out for any updates on Class Dojo from Mrs Black.

We will be sending out a date for the postponed Parents' Evening this week. Thank you for your support!

## Sponsored Read

Thank you to everyone who took part in our sponsored read! Please send any remaining sponsor money into school this week so that we can let you all know how much we have raised towards the development of our outdoor Sanctuary area to provide a calm and quiet outdoor space for the children at playtime. We are still looking to add pictures of your children reading in unusual places- please email any photos to the office.
